# A DAY THAT INSPIRES

Your team will experience an inspiring environment of fresh contemporary cuisine, sleek style, and personalized service in the heart of downtown Loveland. A custom event complete with the right food, a private space, and integrated events with our Loveland partners will ensure your team leaves inspired and refreshed.

# THE DETAILS MATTER

Maximizing productivity and creating an inspiring team-building experience requires careful planning and fresh ideas. Our uniquely qualified team manages even the smallest of details so you don't have to. From the food and activities to choreographing the right flow, the right planning makes all the difference.

## CHOOSE YOUR DATE AND THE PERFECT SPACE

Our brand new private event space can be used as two smaller rooms or coupled together into a larger space, creating the perfect layout for intimate groups of just a few or larger groups of up to 65. Add the option of a rooftop bar and whatever spaces you choose will match the goals and personality of your team. Even more, you can choose any time of day or evening.

## HANDPICK YOUR MENU

Choose from full breakfast, lunch and dinner meals, cocktails or small bites made with the finest, freshest ingredients.

## ADD IN LOCAL ACTIVITIES

You can enjoy all that Loveland has to offer by building in activities from our local partners that will fuel your event with fresh air, fun, and creativity.
